CHRISTMAS CAPYBARA

Pre-Coloured Paper Squishy Template

FRONT

BACK

YOU NEED: Scissors, clear packing tape & polyester fiberfill.
Alternative: cotton balls gently pulled apart.

1. Cover the printed side of each panel with clear packing tape.
2. Cut out both panels along the outer outline.
3. Place backs together, pictures facing out. Tape the edges, leaving a small gap.
4. Add small tufts of fiberfill. Do not overfill.
5. Tape the gap closed. Gently squeeze!
