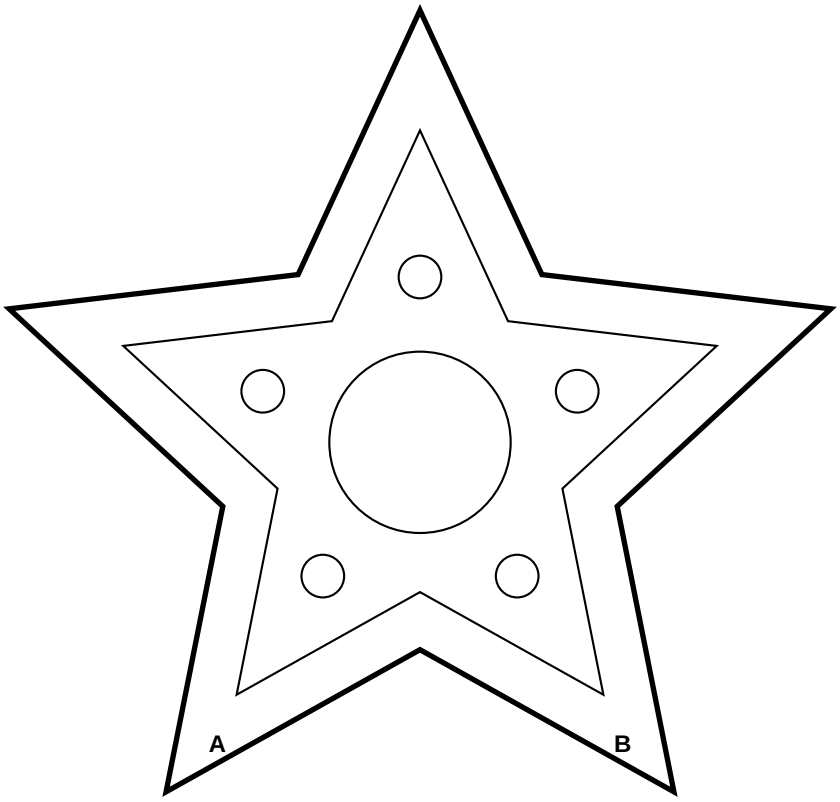
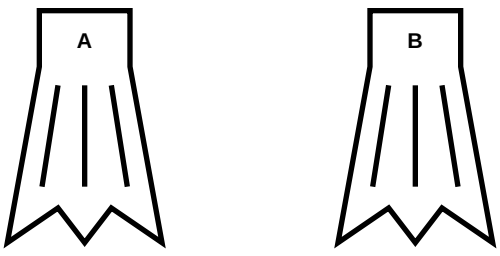
Mini Parol

A Filipino Christmas lantern for your window or tree.

1. Color the star and its two tassels. Cut around all three outside shapes.
2. Match A to A and B to B. Tape each tab behind its marked point.
3. Tape a loop of string to the back of the top point and hang your parol.

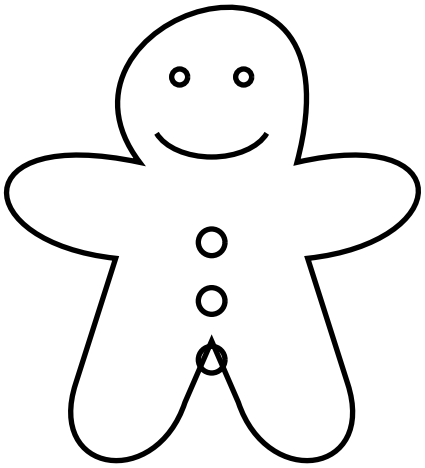


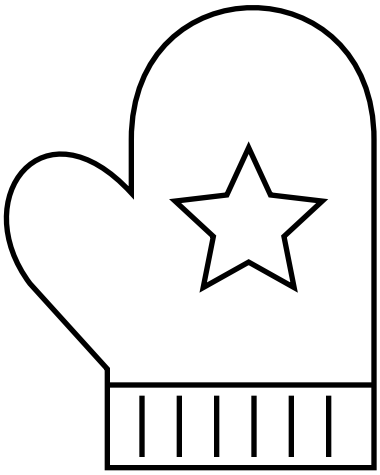


Ornament Trio

Three handmade decorations to hang or give away.

1. Color the gingerbread, bauble and mitten. Add your own patterns.
2. Cut around each outside edge. Ask a grown-up for help if needed.
3. Tape a loop of string to the back of each ornament.



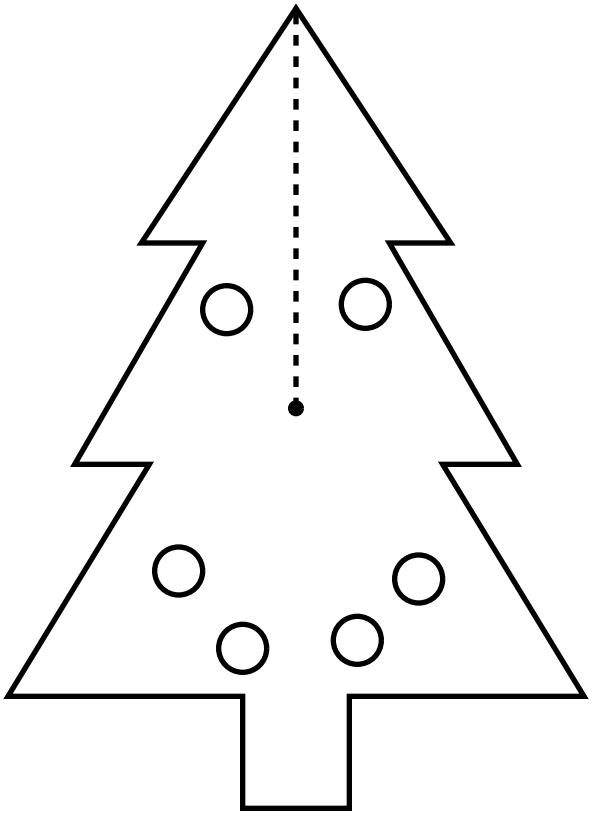


Try a live class for $10 at **brightmakers.ca**

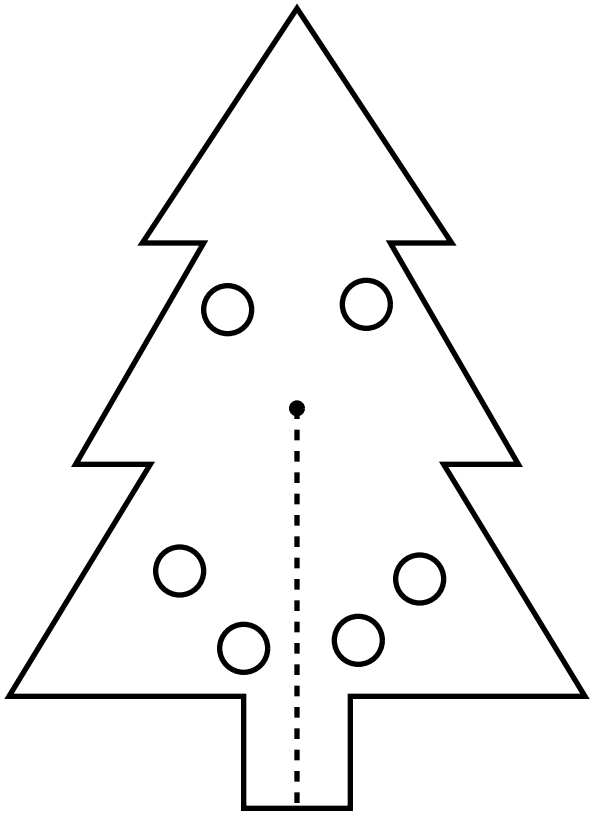
Standing Christmas Tree

A little tree for a desk, windowsill or holiday table.

1. Color both trees. Cut around their outlines. Cardstock works best.
2. Cut each dashed slit up to the dot. Ask a grown-up to help.
3. Hold the trees at right angles. Slide the slits together until the dots meet.

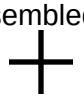


TREE 1



TREE 2

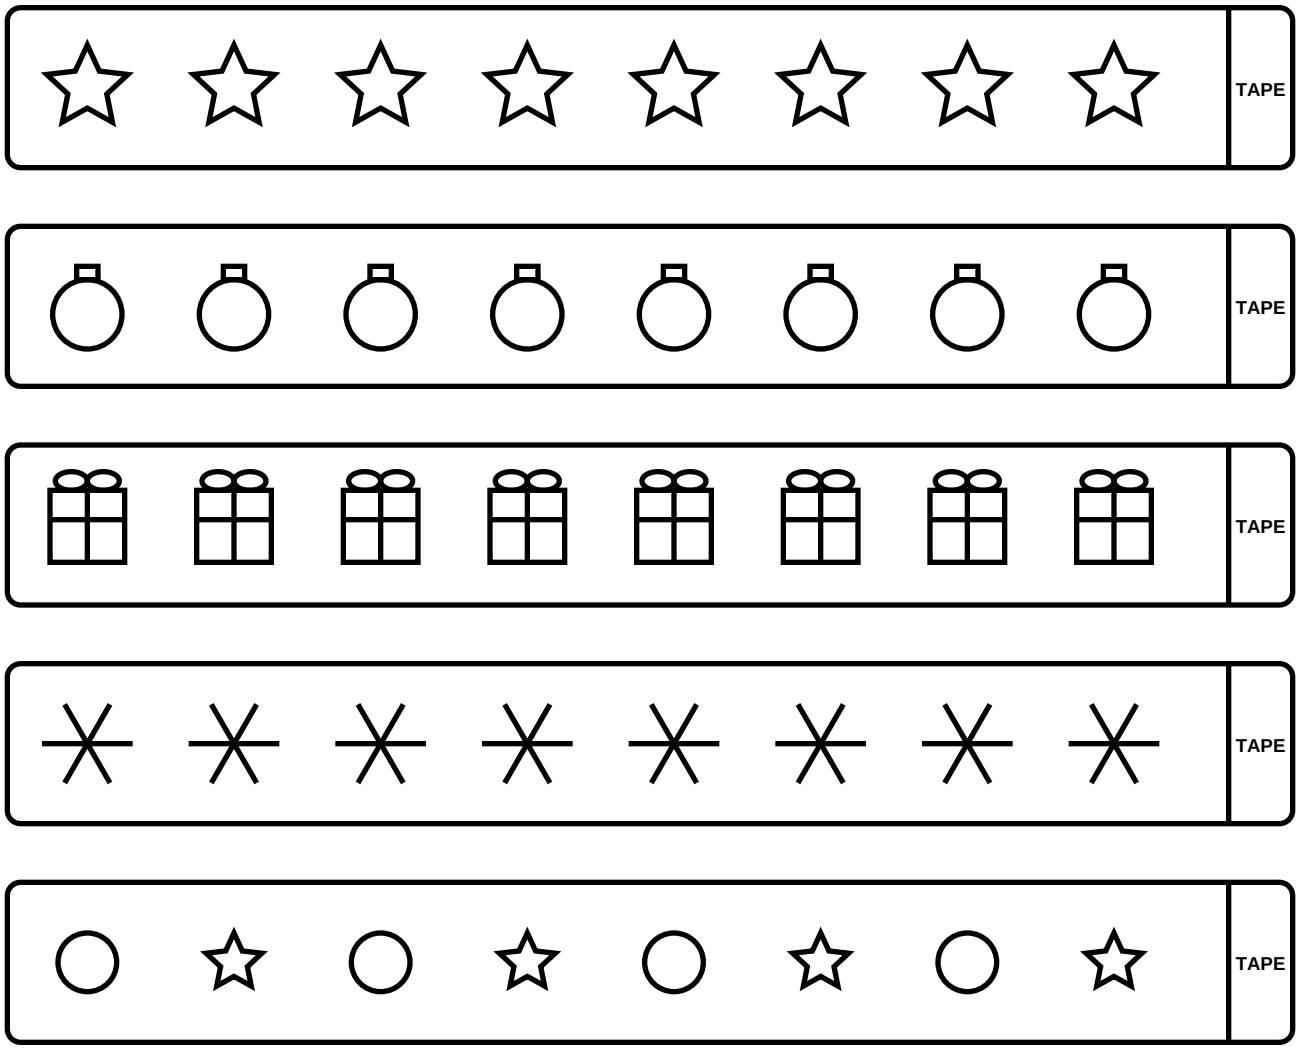
From above, the assembled tree looks like this:



Mini Paper Garland

Make a garland for a shelf, doorway or tree.

1. Color the strips. Print this page again if you want a longer garland.
2. Cut out each strip. Overlap the ends at the TAPE mark and tape them together.
3. Thread the next strip through the last loop before taping. Keep going!



Loved making these?

Your child can make a brand-new project every week, live with a real art teacher.

1. Small live groups, joined from home on a laptop or tablet
2. Ages 5 and up, Saturdays and Sundays
3. Painting, clay, paper crafts, bookmarks and drawing

TRY A LIVE CLASS FOR

$10

One full class so your child can try it before you commit. No supplies to guess: we'll email the list and class link.
