Holiday Pop Idol Cones

6 paper cone pop stars • colour & colouring versions

How to make your pop stars

1. **Print**
   Print on cardstock or thick paper (letter size, "actual size").
2. **Colour**
   Use the colour pages, or design your own stage outfits on the B&W pages.
3. **Cut**
   Cut around the fan shape (keep the grey glue tab!) and the topper.
4. **Roll, glue & perform!**
   Roll into a cone, glue the tab under the edge, add the topper. Showtime!

Bonus: name your group, invent a song title and put on a holiday concert!
