Christmas Cuties

DIY character-shaped Christmas cards

Scissors | Glue or double-sided tape | Pen | 160-200 gsm cardstock

Capybara Card

Axolotl Card

Highland Cow Card

1. Print at 100% / Actual size. Do not use Fit to page.
2. Cut out the front, message panel and paper hinge along solid outlines.
3. Fold the hinge in half on the dashed line. Crease it firmly.
4. Glue one half behind the top of the front; glue the other half to the top of the message panel.
5. Align the two shapes with artwork and message facing outward and inward, respectively. Write a note and gift!

Adult help recommended for detailed cutting. Finished size varies slightly by character.
